AMERICAN RED CROSS

Dear Folks;

Just a few lines to let you all know that I receive your box of chewing gum. However there was no candies with, so somebody must be short stopping the package. Also four days ago I receive your letter date June. 19, that is some fast mailing. I am sorry to hear about that package <sup>of cookies</sup> being too big to be mail. Boy! ~~that~~ those cookies would taste swell after a hard day work. Hope
